

GP HOME S.R.L.

Purpose

GP HOME S.R.L. conducts business with honesty, transparency, and professionalism. This Code sets the main principles for employees, partners, and collaborators.

Scope

Applies to all employees and representatives, who must follow laws, internal policies, and these principles.

Core Principles

- **Integrity and Honesty:** Act ethically and treat all fairly.
- **Compliance with Laws:** Follow local and international regulations.
- **Quality and Professionalism:** Deliver safe, reliable, high-quality products and services.
- **Confidentiality:** Protect company, client, and partner information.
- **Conflict of Interest:** Avoid personal or financial interests that compromise judgment.
- **Sustainability:** Minimize environmental impact and use resources responsibly.

Reporting and Accountability

Report violations via management or designated channels. GP HOME S.R.L. handles all concerns fairly and transparently.

Commitment to Clients and Partners

We ensure secure international delivery, transparent logistics, and worldwide sample delivery. High-quality materials support confident planning for B2B clients, developers, and designers.
